

TOWN SIDEWALK REPLACEMENT PROGRAM

I have agreed to participate with the Town of Erwin in repairing the sidewalk adjacent to my property. I understand I will be billed for the material costs to include concrete and gravel and the Town of Erwin will provide all labor, equipment and forming material to complete the installation of the sidewalk.

I understand that there may be color variations in the concrete and the Town cannot warranty against cracking or flaking of concrete. All work will be completed in a workmanlike manner to the best of the Town's ability. The Town of Erwin personnel will seed and straw disturbed property around sidewalk, I will be responsible for watering and maintaining. I also release the Town of Erwin from liability to any damage done to shrubs, trees or landscaping during the course of replacing my sidewalk.
